

## Pedro Moura Costa, publications list

- Ebeling, J., Virah-Sawmy, M. and Moura Costa, P., 2010. Using international carbon markets to finance forest restoration. Chapter 3 in *Ecological Restoration: A Global Challenge*. Ed. Francisco A. Comin. Published by Cambridge University Press.
- Moura Costa P. and Nussbaum R., 2009. Accelerating transfers of interim finance for REDD+: Options for early market involvement. ProForest report to DFID, August 2009. Proforest publications, Oxford, [www.proforest.net](http://www.proforest.net).
- Nussbaum R., Hoare A., McDermott C., Saunders J. and Moura Costa P., 2009. Accelerating transfers of interim finance for REDD+: Building absorptive capacity. ProForest report to DFID, August 2009. Proforest publications, Oxford, [www.proforest.net](http://www.proforest.net).
- Moura Costa, P., 2009. Guidebook to support the development of early action REDD activities. Paper for the WWF. In *Proceedings of the Forest Carbon Finance Summit 2010*. World Wildlife Fund, Harvard University Program on International Financial Systems, and Nicholas Institute for Environmental Policy Solutions at Duke University.
- Moura Costa, P. 2009. Avoided deforestation as a GHG mitigation compliance activity. In *Proceedings of the Forest Carbon Finance Summit 2009*. World Wildlife Fund, Harvard University Program on International Financial Systems, and Nicholas Institute for Environmental Policy Solutions at Duke University.
- Moura Costa, 2009. Compensating for carbon stock maintenance in forests as an alternative to avoiding carbon flows. In *Proceedings of the Forest Carbon Finance Summit 2009*. World Wildlife Fund, Harvard University Program on International Financial Systems, and Nicholas Institute for Environmental Policy Solutions at Duke University.
- Ascui, F. and Moura Costa, P. 2007. CER pricing and risks. A project developer's perspective. In: *Determining a Fair Price for Carbon*. CD4CDM, UNEP.
- Moura Costa, P. and Mejia Pinto, J.C., 2007. Carbon trading and the worldwide cement sector. *Emerging Markets Report 2007*. A World Cement Publication. Palladian Publications.
- Avis, J. and Moura Costa, P., 2006. Carbon trading and the coal sector. *World Coal* 15 (10), October 2006.
- Avis, J. and Moura Costa, P., 2006. Opportunities for carbon finance projects in the coal sector. *Mining Environmental Management*, October 2006.
- Moura Costa, P., Usher, B. and Walker, A., 2005. Carbon facilities as a means of sourcing emission-reduction credits. Chapter 10 in *The Finance of Climate Change. A Guide for Governments, Corporations and Investors*. Edited By Kenny Tang. Risk Books.
- Moura Costa, P. 2005. Confronting the challenges related to reducing greenhouse gas emissions. Chapter 1.5 in *The Sustainable Enterprise. Profiting from best practice*. IOD Publications, Kogan Page, London.
- Moura Costa, P., 2004. Seqüestro de dólares. Brasil pensa foco. *Foco Economia*, Dez. 2004
- Tippmann, R. and Moura Costa, P., 2003. Project examples in the Brazilian energy sector. Developments under the CDM. *Refocus Magazine*, January/February 2003. Elsevier Science Ltd.

- Moura Costa, P. and Silva, N.C., 2003. The Brazilian iron & steel sector and the CDM. *Commodities Now*, March 2003.
- Aukland, L. Moura-Costa, P., Bass, S., Huq, S., Landell-Mills, N., Tipper R. and Carr, R., 2002. Laying the Foundations for Clean Development: Preparing the Land Use Sector. A quick guide to the Clean Development Mechanism. IIED Publications, London.
- Aukland, L., Moura-Costa, P. and Brown, S., 2002. A conceptual framework for addressing leakage on avoided deforestation projects. *Climate Policy*, Volume 3, Issue 2, June 2003, Pages 123-136
- Moura-Costa P and Chen L, 2002. The Brazilian steel and iron sector and the CDM: examples of EcoSecurities' activities in this field, Global greenhouse Emissions Trader Newsletter, UNCTAD and the Earth Council Institute (Geneva), Issue 11, June 2002
- Moura-Costa P, Troni J, Bovee V and Guest J, 2002. Determination of baselines and monitoring protocols for non-LUCF projects, written for the UK Department for Environment Food and Rural Affairs (DEFRA) June 2002
- Moura-Costa P, Troni J, Martens J, Kinkead B., 2002. Simplified Modalities and Procedures for Small Scale Projects in the CDM, written for the UK Department for International Development (DFID) May 2002
- Moura-Costa P., 2002. Carbon Trading and Investment in Clean Energy Projects. Proceedings of the Oxford University and Petrobras Conference 2002
- Moura-Costa, P.H. 2002. Carbon credits to industry's rescue: the CDM and the Brazilian steel and iron sector. *Environmental Finance*, March 2002, London.
- Troni J, Agbey.S, Moura-Costa P, Haque N, Hession M, Gunaratne L, Rodriguez H, 2002. Moving towards Emissions Neutral Development (MEND), Final project report written for the UK Department for International Development (DFID) June 2002
- IPCC. Special Report on Land Use, Land Use Change and Forestry. Chapters 2 and 5.
- Moura-Costa P., 2001. Carbon accounting, trading and the temporary nature of carbon storage, Paper prepared for USAID publication on sinks and the carbon convention. Edited by The Nature Conservancy. 2001.
- Moura-Costa, P. and Gerald Kohn, G., 2001. Feasibility Analysis for an International Investment Promotion Entity for Sustainable Forest Management. Proceeding of the Oslo meeting on SFM finance. Report for the CIFOR, January 2001.
